

## Mayor's Message: New Parking Ordinance Passed

It's important for Lehi City to maintain the streets for safety, cleaning (sweeping), beautification, and snow removal; however, it is very difficult to accomplish this when there are cars, trucks, boats, and RVs parked on the streets. Not only are the streets difficult to maintain with these items, but it also becomes a significant safety concern for our residents. I understand that it is sometimes necessary to park on the side of a city street for a short period of time. My concern is with anyone "permanently" parking on city streets. Below is a portion of the new ordinance that was passed at City Council meeting on August 10, 2010. You can download a full copy at [www.lehi-ut.gov](http://www.lehi-ut.gov). Please read it and understand this new ordinance. Please feel free to contact me if you have any questions. Thank you for your cooperation in making Lehi a beautiful and safe place to live.

—Mayor Bert Wilson

10.01.020 A. No person shall park a vehicle on any street for more than a consecutive forty-eight (48) hour period.

10.01.020 E. Snow Removal: 1. No person shall park or leave a vehicle on any street during any snow storm nor shall a vehicle be parked on the street within twenty-four (24) hours after the end of such storm.

10.04.030 B. Recreational Vehicles; Trailers: It is unlawful to park or keep any motor home, trailer, camper, boat, recreational vehicle or trailer of any kind, attached or unattached, on a public street except for the limited purpose of loading or unloading the same, not to exceed six (6) hours.

## Lehi Arts Council [www.lehicityarts.org](http://www.lehicityarts.org)

**4th Annual Photo Contest: "Itty Bitty Lehi City"**- You've got a few more months to get ready for our 2011 photo contest, "Itty Bitty Lehi City"! Your assignment is to find interesting close-ups (of anything or anyone) within the boundaries of Lehi. Amateur photographers of all ages may participate, and all photos will be included in the show, which will be held in January 2011.

**Fall Workshops**- Fall workshop registration is available online at [www.lehicityarts.org](http://www.lehicityarts.org). Classes will begin September 8. The art and cooking classes will run twice per week for 5 weeks. Musical theatre workshops run seven weeks for Kids (ages 5-8) presenting, *Jungle Book Kids*; and eight weeks for Jr. (ages 9-14) presenting, *Dear Edwina, Jr.*

**Arsenic and Old Lace**- Lehi City Arts Council will present the hilarious *Arsenic and Old Lace*, October 18-23, at the Glen M Smith Family Theatre. A confirmed bachelor and theater critic is giving up his bachelorhood for the married life. Just as he pops the question he visits with his two loving aunts and slightly crazy uncle who today thinks he's Teddy Roosevelt! One thing leads to another and he finds that his two loving aunts have been killing lonely old men and burying them in the basement in an attempt to deliver them from loneliness and sorrow. Add to that a brother running from the law who's been so botched up by his plastic surgeon, Dr. Einstein that the very mention of Boris Karloff sends him into a blind rage. All of this and he hasn't even gotten to Niagara Falls yet. Don't miss this great show!

September 2010

## Dog Licensing:

- A license is an up-to-date, visible identification of your pet that includes many benefits.
- Licensing your dog saves you time, money, heartache, and is your pet's ticket home.
- Dog licenses can be obtained at Lehi City Hall (153 N 100 E) or at the North Utah Valley Animal Shelter (193 N 2000 W in Lindon)
- Obtaining a dog license assures compliance with Utah State law.

## Tips for Parents and Students

As the new school year approaches, it is a perfect opportunity for parents to revisit safety rules and practices with their children. The majority of safety incidents can be avoided through preventative measures. The prevention process must begin with the appropriate awareness and knowledge to maintain a safe environment. These safety tips are offered to give you an opportunity to focus on the importance of safety. Please review the following:

### Walking

- Supervise young children walking or riding to and from school.
- Children should use public sidewalks and cross the street at crosswalks, street intersections, and/or street corners.
- Teach children to recognize and obey traffic signals and pavement markings.
- Always look both directions when crossing the street and never enter a street between parked cars.
- Use the same route every day and avoid shortcuts.
- Try to have older children walk with other students – strength is found in numbers.
- Teach children to avoid talking to strangers and never get into a vehicle with a person, even if they know them, without their parent's permission.

### Riding Bicycles

Bicycles are associated with more childhood injuries than any other consumer product except a motor vehicle. To make sure children are safe when riding bicycles to school:

- Check with your local school to see if bicycles are allowed. Some schools do not allow children to ride bicycles until a specific grade.
- Make sure your child is wearing a helmet to and from school.
- Choose the safest route between home and school, then practice it with your children until they can demonstrate traffic safety awareness.
- Obey traffic rules, the rules are the same for all vehicles, including bicycles.

### Bus Safety

- Stand on the sidewalk or the edge of the street curb.
- Allow the bus to come to a complete stop.

- An adult should wait with young children until the bus arrives. Take turns with other parents monitoring the bus stop before or after school.
- Remain seated when on the bus and do not distract the school bus driver.
- Do not walk in the “driver’s blind spot” – the area from the front end of the bus to about 10 feet forward.

### Driving

Motor vehicle accidents are the leading cause of unintentional injury-related deaths among children age 14 and under. To reduce the risk of injury:

- Use the school’s designated student drop-off and pick-up zone.
- Do not double park or make U-turns in front of the school.
- Students should enter and leave the car on the curbside in the designated drop-off zone.

- Obey speed limit laws inside school zones.

### In School

- Children may be embarrassed about being targeted by bullies, let them know it’s OK to report a bully to a teacher, principle or resource officer.
- Teach your children when and how to ask for help when dealing with a bully.
- Report to school officials if your child is being bullied and work with them towards solutions.
- Teach children proper playground behavior: no pushing, shoving, or fighting.
- Do not share locker combinations with other students.
- Never be afraid to tell a teacher or administrator if you see something happening that you know is wrong.
- Students and parents should try to go to any orientation night to meet your teachers. It’s good for them to know you before you arrive on the first day.

## Lehi Police Department Night Out

## FITNESS ETIQUETTE 101

To make workout areas enjoyable to use, please wear tasteful apparel and use proper hygiene. Avoid offensive odors, wipe machines off before and after use, wash hands to decrease the spread of germs, sneeze or cough in the crease of your elbow. Limiting the amount of perfume and cologne you use will enable those around you to breathe a little easier. Wear athletic shoes in the fitness areas, and please do not work out without a shirt, as this protects the upholstery from body oils and sweat.
